

Summery of Meeting to Discuss St. Mary's County June 13th Athlete Input Council Meeting Minutes

Present: Bailey Mewhinney (SOMD AIC Rep), Jeff Hagen (SOMD Area Director, St. Mary's County), Adam Hays (SOMD AIC Chairperson) Jason Schriml (SOMD Staff)

The reason for this meeting was to discuss the minutes from the June 13th meeting with our Area Director, Jeff Hagen. We talked about what athletes like and dislike in the county and what we can improve.

- One concern that we talked about is what the athlete does if they feel they have been treated unfairly. The answer is talk to the coach if it's problem with the sport and talk to the Area Director, Jeff Hagen if it is a problem with the program.
- We talked about having more competitions in St Mary's County. Jeff will work on having more competitions here and having some closer qualifiers after the Covid 19.
- Talked about more advertising: radio, Blue Crabs, St Mary's College, CSM, Base.
- Talked about Fundraisers: Merchandise sales*, golf tournament, splash, 5k in St. Mary's City, car wash, cover the cruiser, another 5k?

*we have a lot of Torch Run Apparel available and need help to sell it.
