Welcome

Welcome to the October 18, 2019 edition of the SOMD Area Memo!

If there are any members of your Area's leadership who are not currently receiving the Area Memo, please send their names and email address to dweddle@somd.org to have them included in future distributions.

(NEW) Healthy Communities Webinar

We recently announced the Health Communities Director job posting. Some of you may be wondering "What the heck is a Healthy Communities Director, and why does SOMD need one?"

I will be hosting a webinar on **Tuesday, October 22, 2019 from 7:00-8:00pm** to provide an overview of the Health Communities Program and why we applied for funding through SOI, the purpose of the position, and our goals for having it within our Strategic Plan.

Please register using the link below

<https://somd.zoom.us/meeting/register/e5126e2d09e5068e34538d7d4481ef37>

This is not a mandatory webinar. Fall is a busy season in and out of Special Olympics, so I understand if you are unable to join us. If you would like to have a separate conversation at a more convenient time, please reach out and we can set that up. Please feel free to invite other members of your management teams and local programs who may be interested. Details will also be distributed in this week's Area Memo, but I wanted to make sure we gave people plenty of time to get it on their calendars.

C-A-P-S, CAPS, CAPS, CAPS!

Some of you may have received an email from a staff member of Monumental Sports about a ticket fundraiser for Special Olympics Maryland. On Wednesday, Jeff was able to set up a call with them and can verify that this promotion is legitimate!

How it works:

- Tickets for the 11/11 Capitals vs. Coyotes game can be purchased through this website: <https://fevo.me/special-olympics>
- \$5.00 from each ticket purchased through this offer will be donated to the Special Olympics Program of the buyer's choice (Maryland, Virginia, DC). *Please note that while an individual can identify the state program of their choice, that can't be further divided to a local program.*
- After a ticket is purchased, that individual will receive a unique link to send to their friends to purchase tickets. The ticket system will automatically put those seats near each other.

(Updated) SunTrust Credit Cards

SOMD is changing the credit cards we use for purchasing goods and services. Your credit card will now be issued by Suntrust Bank instead of Bank of America.

Your Suntrust credit card was sent to you recently if you provided the information necessary to order one.

If you have not received your credit card by now, please let Darlene Taylor know immediately. If you have not provided the information needed to open a Suntrust card please also contact Darlene.

When you receive your Suntrust card please call to activate it and begin using it. Keep your Bank of America card for now just in case you have a problem with your Suntrust card.

Coaching Special Olympics Athletes – Train-the-Trainer Session for Areas – December 7

Coaching Special Olympics Athletes is an exceptional course, and in the new Coach Sport Certification Model, it is a required course for virtually all coaches in community programs. While offered as both a live and an online course, it is much better as a live course with a great deal of interaction among the prospective coaches. To continue to offer this course live, we need additional instructors.

We will be hosting a Train-the-Trainer session for the Coaching Special Olympics Athletes (CSOA) course on Saturday, December 7, 2019, at SOMD HQ. This is a day-long course (9:00 a.m. – 5:00 p.m.) and will prepare up to 20 Area coaches and leaders to present the CSOA course throughout the state. We will be making some direct invitations from HQ, and we would like to have Areas nominate additional individuals so the CSOA course can be offered live throughout the state and as often as is needed for all SOMD coaches to be able to complete it and a convenient location.

Requirements for prospective trainers are as follows:

- Must be nominated by their Area Director
- Must have significant experience as a sports coach of individuals with intellectual disabilities (5+ years)
- Must commit to taking/retaking the online version of CSOA during the three weeks prior to the live session on December 7 (SOMD will reimburse the course fees from HK)
- Must commit to presenting CSOA class a minimum of three times per year either as an individual instructor or co-presenter (typically in their “region” of the state).
- Must agree to follow all guidelines and requirements for CSOA courses
- Must be a prime representative of the ideals and ethics of coaching
- Must consistently represent Special Olympics and SOMD in a positive and professional manner

Nominations will only be accepted by Area Directors and will be accepted through the following survey link: https://www.surveymonkey.com/r/CSOA_T3_2019Q4.

Nominations will be accepted through Monday, November 25, 2019. Nominees will be informed of their status for the course no later than Wednesday, November 27 (sooner if nominations are made prior to the November 25 deadline).

We must have a minimum of 6 participants registered by November 25 to hold this session.

Coaching Special Olympics Athletes (CSOA) – HQ Hosted Live Session November 2

SOMD will be hosting another live CSOA session at SOMD Headquarters on Nov 2, 2019. CSOA is a core course for all Special Olympics Coaches in the new Coach Education and Development System. To ensure maximum interaction among participants, the class will be limited to a maximum of 25 registrants.

Saturday, November 2, 2019, 9:30 a.m. – 1:00 p.m.

Note: Given the interactive and discussion based nature of this live course, at least 2 days in advance of the session we must have a minimum of 7 confirmed registrants or the session may be cancelled.

To register for either course, coaches and prospective coaches can use the following link: <https://www.surveymonkey.com/r/CSOA2019Q4>.

Discounted Medicals at MinuteClinic

Thanks to a new partnership between SOI and Minute Clinic, Special Olympics athletes are now entitled to sports physicals at a reduced rate of \$49.00. Any US Special Olympics Athlete, or prospective athlete who needs to complete a physical can present the attached voucher at any of the 1,100+ MinuteClinics in CVS or Target stores between now and July 31, 2020.

[See list of participating locations here](#) or on the [CVS MinuteClinic](#) and [Target MinuteClinic](#) websites. **No insurance or appointment is needed but [please bring the SOMD Athlete Medical Form with you.](#)**

Please note this is not an endorsement for MinuteClinic or their services from SOMD nor SOI; it is simply one more way for our athletes to have access to a relatively affordable Sports Physical.

We are excited about this opportunity and hope that you will share with your families and athletes.

Polar Bear Plunge Website is now live! Fundraise for your areas starting today!

The Polar Bear Plunge website is now live: www.plungemd.com

Any teams registered with an area will be entitled to a 70%/30% split after expenses. Don't miss out on this great opportunity to fundraise for your local program. Last year our teams raised over \$20,000 for their counties, and we'd like to continue that success in 2020.
