Bucci Announces Retirement

Twenty-five years ago, Mary Lu and her family moved to St. Mary's from Prince George's County. She offered to help Claudia Cameron with Special Olympics ... and the rest is history. Mary Lu has led our county program to be the very best! She has expanded offerings, maintained a high standard of training and competition excellence, and accompanied athletes to state, national, and world games. She has watched athletes grow and mature, start families of their own, and move on to other adventures. She has traveled around the world and watched our athletes excel in so many ways.

At this year's Awards Banquet, Mary Lu addressed the crowd and thanked everyone for their support over the years. "I have truly enjoyed being a part of this program. The athletes, volunteers, coaches, and families are wonderful. It is time to step back from being the Area Director. However, I am not going away — Russell is still in 7 sports!" Mary Lu will continue to serve on the local management team, will continue to work with local coaches, volunteers, and athletes, and will still be a part of the St. Mary's program.

St. Mary's County will be led by Connie Thompson, who has worked hand-in-hand with Mary Lu for the past 10 years, learning from the best. Connie is a strong advocate for our athletes, believes in meeting and exceeding the goals of competition, and is supported by the management team and a full contingent of coaches and volunteers. "I have huge shoes to step into and will do my best, along with our team, to keep St. Mary's at the top," she commented.

Congratulations to both Mary Lu and Connie. The future is full of possibilities.

To prepare for a smooth transition, we invite all parents, caregivers, families, and friends to join us for a planning meeting on Wednesday, September 19, 7pm at the Center for Life Enrichment. The local program needs your help. Come and be a part of the future.

St. Mary's Athletes At USA Event

It was a first! Seventeen junior athletes from St. Mary's traveled to Morgan State University to participate in the USA Track and Field events. Athletes with disabilities were invited to compete based on their qualifying score, gender, and age. It was a suspenseful yet challenging afternoon. St. Mary's was well represented—we are proud of all who went and gave it their best.

SAILING continues in St. Mary's

St. Mary's College was the site for this year's Sailing Competition. Now known as a locally popular sport vice a State sport, the sailing was still quite beautiful. St. Mary's County volunteers hosted this year's event which was led by Dan and Lynn Flanigan and named in honor of Lynn's mother, Jackie Fluornoy. Ms. Fluornoy provided the financial resources to allow this year's competition to occur.

Athletes and partners sailed in several classes using hobie cats and monohulls. St. Mary's entered three team into the races: Russell Bucci and Josh Morrison, Tom Bayne and Philip Wieser, and Isaac Wieser and Hana Zwick. These teams sailed close to one another all weekend. If you saw one boat, you could quickly find the other two. Russell won third in Div. 1; Tom won third in Div. 2; Isaac received a participation ribbon. We are so thankful for the time and efforts of coaches Brenda Clarke and Steve Wieser for preparing our athletes for competition. Kudos to St. Mary's College for their unending support of Special Olympics.

After the Saturday divisioning races, the athletes enjoyed dinner and a few tunes at the Crystal Room, catered by Expressions Catering with music from Melissa Kelly. A special thanks to Brian Hartz for working with the management of the Crystal Room for such a nice location.

Torch Run 2012

Each year, throughout the year, the Law Enforcement community supports Special Olympics Maryland. The kick-off for the year includes a state-wide torch run, culminating at the State Summer Games, Towson University. This year's event, organized by David and Joanne Alexander, supported by Brian Hartz, was a huge success.

The large crowd organized in the Wildewood Shopping Center and carried the torch through the area and over the Thomas Johnson Bridge to meet the officers from Calvert County. Chick Fil-A and Cheeseburger in Paradise fed the registered participants before and after the run. Law Enforcement Officer and kayak partner Brian Hartz, helped with this year's Torch Run. All proceeds from this prestigious event support the athletes and sports of Special Olympics Maryland. Thanks to everyone who participated!!

Joey Owens, Vicki Trossbach, Keith Stamp, Charles Windsor, Linda Higgs (with torch), Ronnie Noordzy, Russell Bucci, and Kegan Zimmerman are joined by the Chick Fil A cow at the beginning of this year's torch run. Other St. Mary's athletes who participated are Kyle Russell, Angelica Ringgold, and family members.

LOOKING FOR Casino Night Volunteers

**October 6, 2012, Hollywood Carnival Bldg.
Doors open at Noon**

Special Olympics St. Mary's County will be hosting a CASINO fundraiser on Saturday, October 6. We will need lots of volunteers to make this event successful. The event will be held at the Hollywood Fire Dept. carnival hall. The doors will open at 12 noon.

The volunteer job needed most is BLACK JACK DEALERS.

A training session for blackjack dealers will be held on Wednesday, Sept. 12 with a potential second session on Wednesday, Sept. 26.

Blackjack training will be held at the Bennett Bldg. located on Rt. 235 in Hollywood at 7:00 PM on Wednesday, Sept. 12. It is a white building directly across from the Hollywood Rescue Squad. You enter in the back of the building by going up the stairs, in the door on the left, then enter the door on your right.

We also need volunteers to work in the food area for the entire afternoon and evening so we are looking for volunteers for periods of 4 hours. We will cook and serve hamburgers, hot dogs and serve drinks, chips, etc.

Please contact Mary Lu Bucci **immediately** if you are interested in volunteering as a blackjack dealer or a food volunteer. (301) 373-3469.

Please volunteer for the Casino night on October 6. The proceeds from this event will help us continue the 14 sports trainings and competitions that run year-round and enhance the lives of your children.

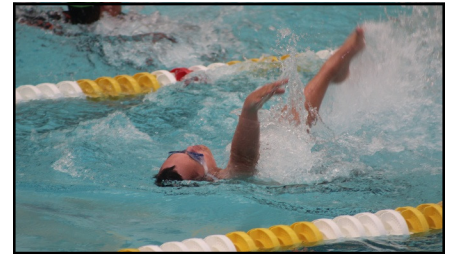

Aquatics at Summer Games

Joe Quade and Sam Huffman carry our local banner into opening ceremonies. Below, Prior to the opening, athletes Amy Trowbridge, April Towler, and Mariah Blackstock enjoy the block party.

Another great season for our swimmers was concluded at this year's Summer Games. The St. Mary's swim team members included Rebecca Elwell, Josh Fondren, Patrick Boyle, Bailey Mewhinney, Kennedy McReynolds, and Kyle Russell. The team competed in events including free style, back-stroke, butterfly, breaststroke, and relays and brought home gold, silver, bronze medals and ribbons. Aquatics Head Coach Lynne Baker commented, "Our swimmers did awesome this weekend. All of their events were on Saturday and they did well." This year's aquatics program attracted more athletes than ever before, with a couple of our athletes participating on their high school teams at Leonardtown & Chopticon High. Happy swimming everyone!

Bailey Mewhinney shows his winning form.

Patrick Boyle was successful in the backstroke.

Softball at Summer Games

The unified softball team, led by coach Jim Hawkins, competed against teams from Frederick, Prince George's, Baltimore City, and Baltimore County. The team played 5 games over the weekend. The team relied on their strong defense, pitching, good bats, and excellent teamwork to be victorious. Congratulations team on a job well done.

Left: Anthony Cyrus makes his way around third and is headed home.

Right: Alan Hill has just slid into base and was safe.

Equestrian at Summer Games

The Equestrian competition was a pleasant event for our athletes: Amanda Lowe, Shelby Beall, Austin Kraese, Laura Marini, Russell Bucci, Joshua Magpayo, April Towler, and Mary Randall. The event at the PG Equestrian Center was held under the newest canopy. Athletes trained and com-

peted on horses from Greenwell and Serenity Cove Stables.

Special thanks to our equestrian coaches Julie Raley and Helaine Burch for their work with our athletes.

Joshua Magpayo proudly rides in the Equestrian competition.

Track & Field at Summer Games

St. Mary's took over 50 athletes to this year's track and field competition to Special Olympics Maryland Summer Games at Towson University.

In track and field, athletes competed in three events and a relay from the field of 50, 100, 200, and 400 meter runs and walks; the throwing events of shotput, mini javelin, and softball; and running, standing, and high jumps. A new event this year was the 100 meter hurdles which Avery Long ran with style and pride.

Our pentathlon athletes were Wayne Carter, Grayson Pulliam, Larry Mills, Avery Long, Terrel Nowlin, and Thomas Smith. They joined other ath-

letes from around the state to compete in 5 events over the weekend.

Coach Lloyd Grayson commented on these athletes' performances, "Each athlete scored their personal best in at least one of their events. We are very proud of them."

A remarkable happening of the games was the opportunity for Jerry Gatton, a blind individual, to run the 100 meter race without holding on to a rope, rather he listened to the voice of Head Coach Owens in front of him to guide him in his lane. After the race, Jerry was overcome with joy and said, "I truly enjoy this race."

Angela Pitts competed in the standing jump.

PENN RELAY VICTORY

In addition to regular practices four of our athletes had the opportunity to compete on the International level at the Penn Relays. This year's relay team of Larry Mills, Terrel Nowlin, Thomas Smith and Avery Long won their race with a time of 49 seconds. They also competed individually in the 100 meter dash.

Bocce at Summer Games

The bocce athletes played singles, 2-person teams, and 2-person unified teams. The players demonstrated patience and strategy, resulting in several gold medals. Head Coach Serge Lefebvre commented, "Each player competed in two games each day. In spite of the heat, our athletes brought home some bling."

Coach Gene Thompson added, "Whether the athlete was seasoned or new this year, they all played well under the stress of competition. The surface stayed very consistent and our athletes accepted the challenge with great games."

Bocce is similar to lawn bowling and requires accuracy and strategy to win.

Bob Hislop, left, shows his winning style. Megan Sheehan, center, pitches the bocce ball in one of her games. Members of this year's bocce team rest under the shade of tents while waiting for their matches to begin. Family members joined the athletes at Towson University to witness their skill and precision.
